

Proposed changes to Bowls Riverland By-Laws
to apply for this season's Finals and Championship rounds and for future seasons.

By Law 18.1.1 & 18.4 and last sentence of 18.5—be DELETED

Replaced with in all 3 positions -: Should the Bureau of Meteorology forecast conditions as "CATASTROPHIC" then all matches will be cancelled.

All reference to 41⁰C in temperature chart be also deleted

This would mean that for any forecast above 38⁰C matches would start early and play would cease when the 38⁰C degree cut off temperature is reached.
